

## Saeplast Buggies & Carts

With their strong, double-walled construction, Saeplast wheeled carts and buggies are ideally suited for handling both wet and dry goods. Their sturdy undercarriage construction, nylon wheels, stainless-steel axles and ergonomic handles have been designed for easy manoeuvrability and handling, and the capacity of each ranges from 400 to 1,000 lbs. Each comes available with its own lid and stainless steel dumping brackets are also available for models D200 and D300. Standard color is blue.

Part #	Description	USG	LTR	Inside/Outside (inches)		
				L	W	H
